Police dogs

* 993 *Q.*—Sri K. ARANGANATHAN : Will the Hon. the Minister for Finance be pleased to state the nature of cases detected with the aid of police dogs during the year 1954?

The Hon. Sri C. SUBRAMANIAM :—" Two cases of lurking house trespass and one case of robbery and a number of cases under the Prohibition Act were detected with the aid of Police dogs during the year 1954."

Sri K. ARANGANATHAN :—" As these dogs are useful in detecting cases, will the Government come forward to provide them in all taluk and district headquarters? "

The Hon. Sri C. SUBRAMANIAM :—" This is a very costly scheme. That is why it is being tried in the City now and if it is found useful and if we are able to train a sufficient number of dogs, it may be possible to extend the scheme to other district headquarters. I do not think, under any circumstances, it would be possible to extend it to taluk and other mufassal stations."

Sri P. CHELLATHURAI :—" இந்த போலீஸ் நாய்கள் நமது மாகாணத்தைச் சேர்ந்த நாட்டு நாய்களா அல்லது வெளி நாடுகளிலிருந்து கொண்டுவரப்பட்டவைகளா ? எந்த ரகத்தைச் சேர்ந்தவைகள் என்று கனம் மந்திரி அவர்கள் சொல்ல முடியுமா ? "

The Hon. Sri C. SUBRAMANIAM :—" இதில் எல்லா ரகங்களும் சேர்ந்திருக்கின்றன."

Sri M. NARAYANA KURUP :—" Will this Government give more scientific training to the staff of the Police department in the detection of crimes before they think of giving training to dogs? "

The Hon. Sri C. SUBRAMANIAM :—" Men are also being trained but unfortunately animals have got greater instinct in this than men. That is why dogs are being used and that is also a scientific way of detecting crimes."

Sri S. PANCHAKSHARAM :—" How are these dogs trained? Is it with the help of foreign experts or policemen here itself? "

The Hon. Sri C. SUBRAMANIAM :—" They are trained by policemen here itself."
